

WASTEWATER FACILITY OPENING Clay Township Regional Waste District

The District is looking for someone with a background in environmental studies and/or experience in working with wastewater pretreatment. The opening is at our wastewater facility located in Zionsville, IN. Employees work a 7.5 hour day, 5 days a week. The pay ranges from \$16.50 to \$23.50 per hour depending on qualifications.

Essential Functions: Administers the District's Fats, Oils and Grease (FOG) Program, gathers and maintains records on industrial users and food service facilities, performs inspections at these facilities, ensures compliance of the FOG ordinance, educates internal and external customers on pretreatment regulations. Certified Operator's license desirable.

Other Functions: Perform technical work operating and maintaining the wastewater treatment plant.

Check out our website for more about the District at www.ctrwd.org. You can also download an application to complete and return by mail, fax or email. See the Human Resources page for this info.

Applications should be sent to:
