Look for the Windmill

IRWA’s mission since our founding in 1968, has been to provide education and technical assistance to water and wastewater systems in Indiana. Our icon, the Windmill, continues to symbolize our mission and our commitment to this industry that we all so proudly serve.

Indiana Rural Water Association

presents

IDNR 2018 –2019 Educational Series

For

Well Drillers, Pump Installers, and Water Operators

This workshop offers 6 continuing education hours for Well Drillers and Pump Installers (thru IDNR) – AND – 6 continuing education hours for certified Water Operators (thru IDEM). If you need hours to finish up your certification cycle that ended in 2018, or want to get a jump start on your next certification cycle, this will apply.

The program will vary depending on location (schedule on the front). Potential topics include:

- IDNR Information – Water Rights & Issues, Resources, etc.
- Well Construction, Chlorination, and Abandonment
- Water Chemistry and Well Rehabilitation
- Resource Assessment Data, Maps, and Available Tools
- Public Water Supply Permitting and Recent Updates
- Water Well Development and Filter Packs
- Grouting Materials and Applications
- Call Before You Dig - Indiana 811
- Other topics as announced
