Position Opening

Town of Lowell

Sewer/Water Distribution Department

Position Description: Assist in daily operation and maintenance of our Towns water distribution and sewer collection system.

Reports To: This position reports directly to the Water/Sewer Distribution Superintendent and Assistant Superintendent.

Essential Functions:

- Assist in repair of water main and service line leaks.
- Use equipment to clean clogged sanitary and storm sewers.
- Operate equipment such as pumps, backhoes, concrete saws, vector trucks, sewer cameras and others.
- Perform underground locates for water and sewer lines.
- Diagnose and repair fire hydrant problems.
- Restore lawn and landscapes from past excavations.
- Keep catch basins clean from debris to avoid road flooding.
- Maintain equipment that is used in the department.
- Any other tasks as assigned by the supervisor.

Position Requirements:

- Minimum of high school diploma or GED.
- Must have a valid drivers license.
- Must have a Class B CDL license or be able to obtain one within 60 days of employment.
- Must have good mechanical skills.
- Must have a basic understanding of underground plumbing.
- Must be able to read a print of underground plumbing.
- Must be able to work in all weather conditions.
- Must be able to carry a minimum of 50 lbs.
- Must be able to work in noisy environments.
- Must be able to pass a background check.

- Must be able to pass a pre-employment and random drug test.
- Must be able to be “on call” from time to time.

Helpful Skills:

- Ability to operate a backhoe and or track hoe.
- Experience in underground plumbing installation or repair.
- Experience in public works.
- Class A or Class B CDL license.
- Ability to be handy and work your hands and tools.

Application: Please download application from our web site at www.lowell.net and email application along with resume and salary history to publicworks@lowell.net or mail to P.O. Box 157 Lowell, IN 46356.
